

# 44 PLUS JOINER BOX

## Joining Component

### APPLICATIONS

The 44 Plus Joiner Box provides a sleek and modern solution for joining multiple linear fixtures to produce a visually appealing continuous run. Easily create custom runs featuring 90° turns, as well as "X" and "T" patterns. The joiner box is available in the same colors as the linear fixtures for the perfect match and finish.

### FEATURES & BENEFITS

- Joiner Box can be pendant hung by stem or cable
- Available in 1 Way, 2 Way, 3 Way and 4 Way options
- Seamless design that is both fashionable and functional

### SPECIFICATIONS

Formed and welded 22-gauge cold rolled steel.  
 Internal press in nuts creates ease of joining assembly.  
 Grommeted wire ways protect wiring.
