FEATURES

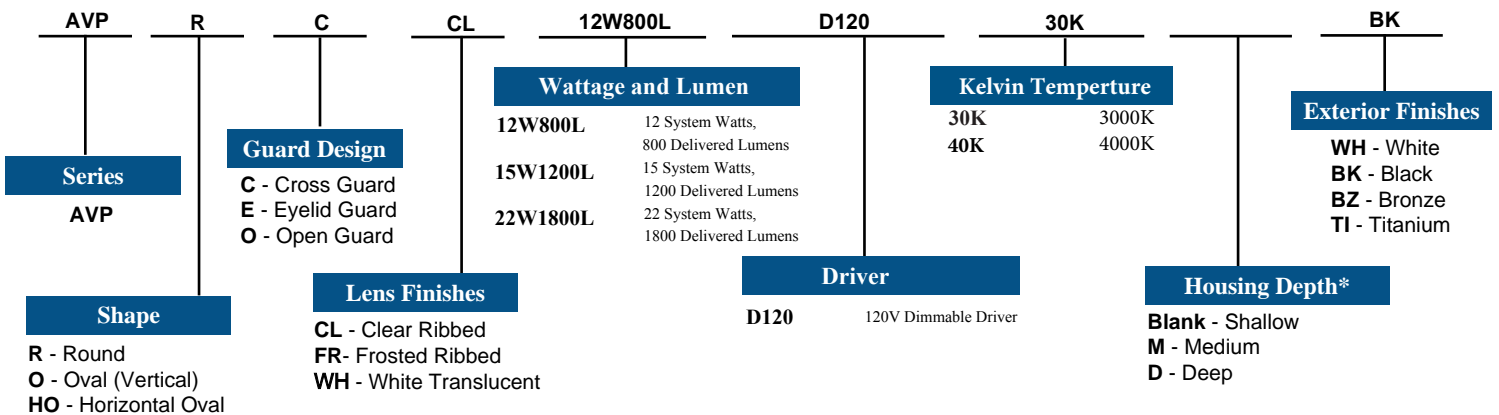

- **Tamper Proof Fasteners**
- **Extruded Rubber Lens Gasket.** Keeps moisture, dirt, and insects from penetrating the interior of the fixture.
- **Lens Retaining Clips and Screws.** Provides a single lens/outer guard unit which eases installations and relamping procedures.
- **Weep Holes.** Allow rain and liquids coming in contact with the face of the fixture to drain out from the front of the fixture, and reduce accumulation of dirt and moisture on the face of the installed fixture.
- **Level Bar and “Top” Indicator.** Ensures that the fixture housing is secured in a level position.
- **Ribbed Injection Molded Lens.** Internally ribbed injection molded polycarbonate lens and slightly textured exterior of lens reduces glare.

DESCRIPTION

Architecturally styled, ruggedly constructed, vandal resistant wall mount fixtures are suitable for indoor/outdoor. Quality die-cast aluminum backplates, injection-molded polycarbonate lens and guards, and tamper proof screws and gasketing provides spec-grade engineered quality but at more economical price points.
