

HOTCA (T9CA) Series

Low Profile Deco Mushroom

Application

Suitable for use in residential and light commercial applications. Ideal for use in closets, laundry areas and pantries. Use T5 circline for shallower appearance.

FEATURES & SPECIFICATIONS

Attributes

These energy saving fixtures feature floating mushroom with softly contoured acrylic lenses. Constructed with special new latches. Available in 3 sizes. Use T5 circlines for more light output and shallower construction.

Electrical

Electronic ballasts are standard on these circline lamped fixtures. Fixtures are wired for 110-120 volt, 60 cycle A.C. operation. Fixtures bear U.L. labels.

Mounting

Ceiling mount.

Diffuser

Translucent white acrylic diffuser.

Finish

Brushed Nickel or White Trim

Listing

Fixtures conform to Underwriters' Laboratories standards for production and are carefully tested prior to packing.
